the first time I saw him he was wearing a dark suit and a white shirt with a tie. He had short brown hair and was smiling at me. I was very nervous and didn't know what to say. He asked me if I wanted to go for a walk with him. I said yes and we started walking. We talked about our day and I told him about my job as a teacher. He listened carefully and asked some questions. We walked for about an hour and then he invited me to his house for coffee. I accepted and we sat down to talk. He asked me some personal questions and I answered them. We talked about our interests and hobbies. He seemed interested in my answers. After coffee, we went for a walk again. We talked about our future plans and I told him about my goals. He listened and asked some questions. We talked about our dreams and aspirations. He seemed to be very interested in my answers. We talked for a long time and I enjoyed the conversation.
